Rates: Custom Landing Pages (Reach Local)

1) Landing Page Includes

Creating a Custom designed Landing page will allow a client the benefits of web presence but at an affordable cost. This will also allow Reach Local to expedite the Campaign in a timely manner.

Because Reach Local will be driving the traffic to the site there is no need for multiple pages to help rank a website organically.

The total cost will be applied towards a full website in the future if so requested.

- | | | |
